The Lounge Medley
Performed by Deloris & The Ronelles

Whenever I'm with him
Something inside (inside)
Starts to burning
And I'm filled with desire
Could it be the devil in me
Or is this the way love's supposed to be

It's like heat wave
It's burning in my heart (heat wave)
I can't keep from burning (heat wave)
It's tearing me apart (heat wave)

Yeah yeah yeah yeah
Say oh (heat wave)
Yeah yeah yeah yeah
Say oh (ain't nothing but love girl)
Don't pass up this chance
There's a chance for true romance
Heat wave

Ooh!

Nothing you can say
Could tear me away from
My guy (my guy)
Nothing you can do
Cause I'm stuck like glue
To my guy (my guy, my guy)

I'm sticking to my guy
Like a stamp to a letter
Like the birds of a feather
We stick together
I'm telling you from the start
I can't be torn apart from my guy

No muscle bound man
Could take my hand

From my guy (my guy)
No handsome face
Could ever take the place
Of my guy (my guy, my guy)

He may not be a movie star
But when it comes to being happy
We are

There's not a man today
Who can take me away
From my guy

What did you say

There's not a man today
Who can take me away
From my guy

Tell me more

There's not a man today
Who can take me away
From my guy

Oh my god

I will follow him
Follow him wherever he may go
There isn't an ocean too deep
A mountain so high it can't keep
Keep me away

I will follow him
Ever since he touched my hand I knew
That near him I always must be
And nothing can keep me away
He is my destiny

I love him, I love him, I love him
And where he goes
I'll follow, I'll follow, I'll follow
He'll always be
My true love, my true love, my true love
From now until
Forever, forever, forever

I will follow him
(Wherever he goes baby I go)
Follow him wherever he may go
(I'm telling you the truth)

There isn't an ocean to deep
(No baby there ain't no ocean to deep)
A mountain so high it can't keep
(You know there ain't no mountain to keep me away)
Keep him away
(Not away from this love)
Away from his love
(That's right baby)

I love him, I love him, I love him
And where he goes
I'll follow, I'll follow, I'll follow
He'll always be
My true love, my true love, my true love
From now until
Forever, forever, forever

Wooh!

Yeah yeah yeah yeah
And oh (heat wave)
Yeah yeah yeah yeah
And oh (ain't nothing but love girl)
Don't pass up this chance
I got an eraser and a pair of pants

Heat wave
Heat wave
Heat wave
Heat wave
