Come On (x 2)
Ooh,
I trip, I fall,
I catch myself,
Even wishing I was someone else,
I'm never where I'm supposed To Be,
I laugh at loud at stupid things
When I'm nervous I've been known to sing,
I'm not sure what I should believe

I don't know who I am yet,
But I know who I want to be

Chorus:
It's an Adventure, (an adventure)
Finding The Real Me (The real me)
I'm an reflection (reflection), of everything I see
I can't wait to discover,
But I know I'm gonna love her,
The Real me (the real me)
oh, oh

I stumble, I crumble when you're near,
And all of my thoguths just disappear
I find mysel in an awkward spun,
I'm losing all my sleep at night,
To find the question in my mind,
Does he love me, does he love me not?

I build up my confidence,
(confidence),
breathe every experience (experience)

Chorus

oh, oh, oh oh,
yeah, yeah, yeah, yeah,
oh, oh, oh, oh,
yeah, yeah, yeah, yeah

chorus

oh, oh, oh, oh,

oh, oh, oh, oh,
yeah, yeah, yeah, yeah,
oh, oh, oh, oh
