So, no one told you life was gonna be this way.
Your job's a joke, you're broke, your love life's D.O.A.
It's like you're always stuck in second gear.
And it hasn't been your day, your week, your month, or
even your year.
But -

I'll be there for you ... when the rain starts to fall.
I'll be there for you ... like I've been there before.
I'll be there for you ... cause you're there for me, too.

You're still in bed at ten and work began at eight.
You've burned your breakfast, so far everything is
great.
Your mother warned you there'd be days like these.
But she didn't tell you when the world has brought you
down to your knees.
That -

I'll be there for you ... when the rain starts to fall.
I'll be there for you ... like I've been there before.
I'll be there for you ... cause you're there for me, too.
