It's astounding  
Time is fleeting  
Madness takes its toll  
But listen closely  
Not for very much longer

I've got to keep control  
I remember doing the Time Warp  
Drinking those moments when  
The blackness would hit me  
And the void would be calling

Let's do the Time Warp again  
Let's do the Time Warp again

It's just a jump to the left  
And then a step to the right  
With your hands on your hips  
You bring your knees in tight  
But it's the pelvic thrust  
That really drives you insane  
Let's do the Time Warp again  
Let's do the Time Warp again

It's so dreamy  
Oh, fantasy free me  
So you can't see me  
No, not at all  
In another dimension  
With voyeuristic intention  
Well secluded, I see all

With a bit of a mind flip  
You're into the time slip  
And nothing can ever be the same  
You're spaced out on sensation  
Like you're under sedation

Let's do the Time Warp again  
Let's do the Time Warp again

Well I was walking down the street  
Just a having a think  
When a snake of a guy gave me an evil wink  
He shook-a me up, he took me by surprise  
He had a pick up truck and the devil's eyes  
He stared at me and I felt a change  
Time meant nothing, never would again

Let's do the Time Warp again  
Let's do the Time Warp again

It's just a jump to the left  
And then a step to the right  
With your hands on your hips  
You bring your knees in tight  
But it's the pelvic thrust  
That really drives you insane  
Let's do the Time Warp again  
Let's do the Time Warp again
