(Three rings for the Elvenkings under the sky  
Seven for the Dwarflords in their halls of stone  
Nine for mortal Men doomed to die  
One for the Dark Lord on his dark throne  
in Mordor where the shadows lie.

One Ring to rule them all, One Ring to find them,  
One Ring to bring them all and in the Darkness bind  
them  
in Mordor where the shadows lie.

There is no life in the cold, in the dark. Here in the void  
there is only death.  
I smell your blood. I shall devour it, eat it all, eat all the  
world.)
