"The Weakness In Me"

I'm not teh sort of person who falls,
In and quickly outta love but to you i gave my affection
right from the start
I have a lover who loves me
How could i break such a heart?
Yet still you get my attention

Why do you come here,
When you know i've got troubles in love?
Why do you call me
When you know i can't answer the phone
You make me lie, when i don't want to
Make someone else some kinda unknowing fool
And you make me stay, when I should not
Are you so strong or is all the weakness in me?

Why do you come here?
And pretend to be just passing by?
But I mean to see you,
And I mean to hold you Tightly.

Feelin' guilty, worried,
Waking from tormented sleep
This old love has me bound
But this new love cuts deep.
If I choose now, I'll lose out
One of you has to fall
And I need you, and you.

Why do you come here
When you know I've got troubles in love?
Why do you call me
When you know I can't answer the phone?
Make me lie, when I don't want to
And you make someone else some kind of an
unknowin'fool
And you make me stay, when I should not
Are you so strong or is all the weakness in me?

Why do you come here
And pretend to be just passing by?
But I mean to see you,

And I mean to hold you
Tightly.
