What's this life anyway?
What's it to you and me?
What's it to anyone?
Who are we supposed to be?
Make me a storybook
Write me away from here
I need a different now

Where we can wear each other for awhile
I'll len you my tears if I could borrow a smile
I'll get through tomorrow somehow today
Happy after...
Once upon these days

There's four roads to anywhere
Four ways to everything
We were unbreakable
We spoke our destiny
Let's take a moment out
Go where we never go
Let's make a new world now

Where we can wear each other for awhile
I'll lend you my tears if I could borrow your smile
We'll get through tomorrow somehow today
Happy after...
Once upon these days

Then one day we'll find
When we're looking back at this time
Wondering how we've come so far from this
When we close our eyes

What's this life anyway?
What's it to you and me?
What are we doing here?
And who are we supposed to be?
I'll take a better world
I'll take anything
I'll take our little world now

Where we can wear each other for awhile
I'll lend you my tears if I could borrow your smile
We'll get through tomorrow somehow today
Happy after...
Once upon these days
Once upon these days
Once upon these days.....
