a shadow of myself just who am i  
scan horizons  
my true identity  
you could've left me here  
sealed inside the pod  
no one would ever know the chaos control  
my true identity  
the power that is me

we all danced in fire trapped in this machine  
don't know how long we've waited  
as the eggman's watching  
we all danced in fire looking thru the screen  
don't know how long we've waited  
as the eggman watches

with rouge in the fight electric lives  
change surroundings  
a jewel in history  
a treasure disappears as she goes  
miss her as you look away  
and no one knows  
this power is a key  
this power changes me

we all danced in fire trapped in this machine  
don't know how long we've waited  
as the eggman's watching  
we all danced in fire looking thru the screen  
don't know how long we've waited  
as the eggman watches

cha-cha-cha-cha-chaos control  
cha-cha-cha-cha-chaos control

e-123  
you didn't know now i'm gonna show you  
the power that is me  
it seems you've never tasted fear or loss of control  
this power lives in me  
the power that is me

we all danced in fire trapped in this machine  
don't know how long we've waited  
as the eggman's watching  
we all danced in fire looking thru the screen  
don't know how long we've waited  
as the eggman watches
