I will take it to the wire now  
Until every race is run  
I'll go straight into the fire now  
Until every day is done  
Voices say -- break away  
Live each night as if each moment  
Was the only one

Through the fire  
To the wire  
When the night out of control  
Is breaking your heart  
Through the fire  
To the wire  
When the flames are burning hot  
They take you higher  
Through the fire

There's a feeling that I can't ignore  
Like a stranger at my door  
So revealing that I cannot hide  
When you settle up the score  
Voices say -- night and day  
Live your life as if each second  
Was the final one

Through the fire  
To the wire  
When the night out of control  
Is breaking your heart  
Through the fire  
To the wire  
When the flames are burning hot  
They take you higher

I look for signs that you are here tonight  
When the passion calls the pleasure to the flame  
Then I ask you of the meaning when you talk of love  
Would you take the leap of faith?  
Would you throw it all away?

Through the fire...
