"Tomorrow"

Tomorrow's just another day
another way to spend my day
all by myself
staring at the TV screen
flippin through my magazine
everything is unclear
I need ja here
a doo doo000

Chorus: and I wake up
put on my makeup
pick up the phone
nobody's home
I need to break-out
get me some take-out
stand inside a crowd
I wanna scream aloud
that I'll be okay
an I'll be okay

Walking down this winding road
rainy days are all I know
I have hit the ground
Staring up into the sky
counting all the reasons why
My mind is spinning around
I need to breathe
a doo doo0000

chorus

Get up from off the floor(I)
I jest can't take no more (I)
Leaving it all behind
cuz yesterday's gone

(yeah yeahhhh yeah)

na na...na na na na nana na na na na ..na
na na nAAAA

chorus(x2)

I need to wake up

It's ok

It's alright

(na na na na na.....)

It will be alright

It will be alright
