VERSE 1: when i'm with you, you know you make my days
so beautiful wit yo different wayz, you make me lighter, i'm movin wit the wind, love you know what u got for me i got for you too, we can't pretend.

BRIDGE 1: gave me another chance to breath and, yo got
all the things i need and, together we're so complete and you must be the reason i'm alive.
REPEAT

VERSE 2: it's all so new, yet so familiar, everytime i'm next to you i feel something like forever, this is right, c'mon and talk to me, put some of that sweet poetic love all over me.

REPEAT BRIDGE 1 3X

BRIDGE 2: all this time i've been lookin for someone like you, i never really thought you existed, now i see my dreams are all coming true, i just wanna stay right here wit you

RAP

you said i'm like fresh air for the birth of your new eyes, i said your like the sun brightin, lightin my life, and then we got together to create a new world, only a real man can understand the gift of this girl, bells are ringin cuz wut you bringin has got me singin, now i can breath and, you're all i need and love is a preson spring is a season, i'm feelin so alive inside and you must be the reason

REPEAT BRIDGE 2
