pressure pushing down on me  
pressing down on you no man ask for  
under pressure---that burns a building down  
splits a family in two  
puts people on streets

it's the terror of knowing  
what this world is about  
watching some good friends  
screaming 'let me out'  
pray tomorrow---gets me higher  
pressure on people---people on streets

chippin' around---kick my brains around the floor  
these are the days it never rains but it pours  
people on streets---people on streets

it's the terror of knowing  
what this world is about  
watching some good friends  
screaming "let me out"  
pray tomorrow---gets me higher  
pressure on people---people on streets

turned away from it all like a blind man  
sat on a fence but it don't work  
keep coming up with love but it's so slashed and torn  
why---why---why  
LOVE

insanity laughs under pressure we're cracking  
can't we give ourselves one more chance  
why can't we give love that one more chance  
why can't we give love, give love, give love, give love,  
give love

'cause love's such an old fashioned word  
and love dares you to care for  
the people on the edge of the night  
and love dares you to change our way of  
caring about ourselves

this is our last dance  
this is our last dance  
this is ourselves  
under pressure  
under pressure  
pressure.
