Please leave me alone
For I cannot let this go
It's the lie [it's the lie]
That I live [that I live]
Everything [everything]
That I give
Shut the fuck up!

Please tell me I have grown
For I have bruises left to show
And I fall [and I fall]
In between [in between]
Everything [everything]
Let me see

Come on, get up
Let me see your bruises
Come on, get up
Let me see your bruises
Come on, get up
Let me see your bruises
Come on, get up
Let me see your bruises

'Cause I will never let you know
[Never know, never know, never know]
'Cause I will never let you go
[Let me go, let me go, let me go]

Please leave me alone
[PLEASE]
Let me see, let me see, let me see...
Let me see, let me see, let me see...
Let me see, let me see

Come on, get up
Let me see your bruises
Come on, get up
Let me see your bruises
Come on, get up
Let me see your bruises

Come on, get up
Let me see your bruises.
