Vacation

Performed by Vitamin C

Come on, come on, come on, let's go
Come on, come on, let's go
Come on, come on, come on, let's go
Come on, come on, let's go

Vacation

Need a little sun to break up all the frustration
And turn it into love
Ain't nobody gonna tell us what we're gonna do
Because today it's up to you

Temptation coming up to me
A little relaxation and I'll be great to be
Come on and we can, we can lie at the bay
Don't be late
It's gonna start now

Kick it back, kick it back, kick it back to the track
Kick it back, kick it back, kick it back to the max

Vacation's where I wanna be
Party on the beach where the fun is free
We don't need a holiday
Let's start to celebrate
Cause I need a break
I need a vacation

Vibrations

Need to get me some and drive out all my
complications
And turn them into love
Ain't nobody gonna tell us where we gonna be
Because today, today it's you and me

Vacation's what I wanna do
Party on the beach
Fun for me and you
We don't need a holiday

Let's start to celebrate
Repeat after me
I need a vacation

Let's go, let's go
Let's go, let's go

I wanna be where the fun is free
So come with me

Vacation's where I wanna be
Party on the beach where the fun is free
We don't need a holiday
Let's start to celebrate
Cause I need a break
I need a vacation

Vacation's where I wanna be
Party on the beach where the fun is free
We don't need a holiday
Let's start to celebrate
Repeat after me
I need a vacation

(I need a) vacation
(Come on and) vacation
(I need a) vacation
(Come on) vacation
Lets go

Vacation's where I wanna be
Party on the beach where the fun is free
We don't need a holiday
Let's start to celebrate
Cause I need a break
I need a vacation

Vacation's where I wanna be
Party on the beach where the fun is free
We don't need a holiday
Let's start to celebrate
