I know a girl who's obsessed with a guy
She talks for hours
And still tomorrow, she'll call again
And when he thinks that this could be the end
She calls again
At six in the morning, she waits at the door
He tells her to leave
But still tomorrow, she be there again
She won't let goooooooooo!

Can't you just go somewhere on vacation?
I could book your flight and pack your bags
If you want.
A one way ticket outta my life
Watching you fly away
I never liked you

She doesn't care if he tries to ignore
He runs away but still she follows
She'll try again
She likes to think she'll get him in the end
Yaaaa!

Can't you just go somewhere on vacation?
I could book your flight and pack your bags
If you want.
A one way ticket outta my life
Watching you fly away
I never liked you
I never wanted to
I never like you, you, no
I never wanted to, no

Can't you just go somewhere on vacation?
I could book your flight and pack your bags
If you want.
A one way ticket outta my life
Watching you fly away
I never liked you
I never wanted to
I never liked you

I've had enough with you
