Dance all night (x3)  
(Nicole Kidman) I believe you were expecting me  
Dance all night (x3)  
It is called the Moulin Rouge  
Let's dance!

Feel the beat of the rhythm of the night  
Feel the rhythm  
Forget about the worries on your mind  
On your mind  
Feel the beat of the rhythm of the night  
Feel the rhythm  
Forget about the worries on your mind

When it feels like  
the world is on your shoulders  
and all of the madness  
has got you goin crazy

It's time to get out  
step out onto the street  
Where all of the action  
is right there at your feet  
well...  
I know a place where we can  
dance the whole night away  
and it's called the Moulin Rouge  
oh...  
Just come with me and we can  
shake your blues right away  
You'll be doin fine once the music starts...Oh!

[chorus]  
To the beat of the rhythm of the night  
dance until the morning light  
Forget about the worries on your mind  
we can leave them all behind  
To the beat of the rhythm of the night..  
oohh the rhythm of the night..  
Forget about the worries on your mind  
we can leave them all behind...

oh lalalalala  
oh lala

Look at on the street now  
the party's just beginning  
The music's playing  
a celebration's starting

Under street lights  
the scene is being set  
A night for romance  
A night you won't forget, so

Bridge:  
Come join the fun  
this ain't no time to be staying home  
mmm..the Moulin Rouge is going on...oh!  
tonight is gonna be night like you've never known  
We're gonna have fun the whole night long...  
oh!

Chorus

Cuando sientes que el mundo  
esta encima de ti  
y la vida te tiene como loca  
conozco un lugar  
donde podemos bailar

Chorus repeats

OH RHYTHM WANNA FEEL THE RHYTHM
