"Weak And Powerless - A Perfect Circle"

Tilling my own grave to keep me level
Jam another dragon down the hole
Digging to the rhythm and the echo of a solitary siren
One that pushes me along and leaves me so

Desperate and ravenous
So weak and powerless
Over you

Someone feed the monkey while I dig in search of
China
White as Dracula as I approach the bottom

Desperate and ravenous
So weak and powerless
Over you

Pale angel, go away
Come again some other day
The devil has my ear today
I'll never hear a word you say
Promised I would find a little solace
And some piece of mind
Whatever just so long as I don't feel so

Desperate and ravenous
So weak and powerless
Desperate and ravenous
So weak and powerless
Over, Over you
