Everyone's invited this is how we live
We're all here for each other, happy to give
All we have we share and all of us we care
So Come On

Welcome to our family time
Welcome to our brotherly time
We're happy givin' and takin'
To the friends we're makin'
There's nothin' we won't do
Welcome to our family time
Welcome to our happy to be time
This is our festival you know
And best of all we're here to share it all

There's a bond between us nobody can explain
It's a celebration of life and seein' friends again
I'd be there for you
I know you'd be there for me too
So Come On

Welcome to our family time
Welcome to our brotherly time
This is our festival you know
And best of all we're here to share it all

Remembering love ones departed
Someone near to your heart
Finding love, planning a future
Teling stories and laughing with friends
Precious moments you'll never forget

This has to be the most beautiful
The most peaceful place I've ever been to
It's nothing like I've seen before
When I think how far I've come I can't believe it
Yet I see it
And then I see family
I see the way we used to be
Come On

Welcome to our family time
Welcome to our brotherly time
We're happy givin' and takin'
To the friends we're makin'
There's nothin' we won't do
Welcome to our family time
Welcome to our happy to be time
This is our festival you know
And best of all we're here to share it
We're here to share it all
