We're all in this together
Know inside...we can make it
When we reach...we can fly
We're all in this together

Chorus

Time to show the world
Let's get to it
That's the way we do it
Wave your hands up in the air
Wild cats everywhere

Everybody say it now
Wild cats...in the house
Yeah, you really got it goin' on
Wild cats...sing along
Chant #2

Chorus

Champions one and all
Because we stuck together
We've arrived

Sharpay:
C'mon...scream and shout
Now everybody make some noise
The party's on
(yeah, yeah)
We're gonna rock the house
And speakin' out with one voice
We're all here
Ryan:

Chant #1

Hand in hand...make out dreams come true
And it shows...when we stand
We're all in this together
We're all stars...and we see that

Once we know...that we are
We're all in this together
Chorus

Together's where we belong
We're different in a good way
We're not the same
(each other strong)
We make each other strong
In their own way
Everyone is special
Gabiella:

That's what it's all about
Have no limitations
That all our dreams
(yeah yeah)
I finally figured out
It's time for celebration
Here and now
Troy:

C'mon Let's do this right
Together...together...
Each other every time
Together...we're there for
C'mon let's have some fun
Together...together...
Together everyone
Together...together...
Chant #1
Once we see
There's a chance...that we have
And we take it

Chant #3
Wild cats everywhere
Wave your hands up in the air
That's the way we do it
Let's get to it
C'mon everyone
