Sometimes  
I get that overwhelming feeling  
so sad  
the faces on TV  
If I try to make a difference  
would it help anyway  
but then I stop and  
to myself i say

Chorus:  
so you wanna change the world  
What are you waiting for  
Say you gunna start right now  
what are you waiting for  
it only takes one voice  
to come on now and shout it out  
Give a little more  
what are you waiting for

Sometimes  
I feel a little helpless  
Seems like  
well I cant do a thing  
but anything is possible  
just you wait and see  
Good things happen  
if you just believe

Chorus

Someday, somehow  
I'm gunna take that step  
Cuz time is tickin away  
Right here, right now  
before it's too late  
Gunna face tomorrow today

Don't wait (yeah..... yeah,yeah,yeah)

Chorus (x2)
