You don't run with crowd
You go your own way
You don't play after dark
You light up my day
Got your own kind of style
That set you apart
Baby that's why you captured my heart

I know sometimes you feel
Like you don't fit in
And this world doesn't know
What you have within
When I look at you
I see something rare
A rose that can grow anywhere
And there's no one I know that can compare

What makes you different
Makes you beautiful
What's there inside you shines through to me
In your eyes I see all the love I'll ever need
What makes you different
Makes you beautiful to me

You got something so real
You touched me so deep
You see material things
Don't matter to me
So come as you are
You've got nothing to prove
You won me with all that you do
And I wanna take this chance to say to you

What makes you different
Makes you beautiful
What's there inside you shines through to me
In your eyes I see all the love I'll ever need
What makes you different
Makes you beautiful to me

You don't know

how you touch my life
Oh in so many ways I just can't describe
You taught me what love is supposed to be
It's all the little things that make you beautiful to me
(So beautiful)

What makes you, what makes you different
Makes you beautiful
What's there inside you shines through to me
In your eyes I see all the love I'll ever need
What makes you different
Makes you beautiful to me
