"When Darkness Falls - Killswitch Engage"

As you walk
The path of least resistance
Is it as simple
As you claim it to be
Cut out
Your tongue
Your eyes
Your lies
They do deceive you
Your tongue
Your eyes
Your lies
They do deceive you

I stand firm in my solidarity
The path I walk (the path I walk)
I walk it with my own resolve
When darkness falls (when darkness falls)
We are reborn
A dream since the fall of man
We are reborn

But the lives
Are not yet depleted
We are the whole
Save us of all
With not just words
Let resolution be our voice

I stand firm in my solidarity
The path I walk (the path i walk)
I walk it with my own resolve
When darkness falls (when darkness falls)
We are reborn
A dream since the fall of man
We are reborn

We are the remnant
We the remnant will save us of all
We are the faithful
We the faithful will save us of all

Save us of all

When darkness falls (when darkness falls)

We are reborn

A dream since the fall of man

We are reborn

When darkness falls (when darkness falls)

We are reborn

A dream since the fall fo man

We are reborn
