Another night again  
Another journey without friends  
Another a fight to wish away the loneliness I live

Another circus show  
Another face that I don't know  
Another night of people asking what I have to give

I thought that I would drown  
But it's okay by now

No one knows the way I feel a part of me I have to fight  
Buried somewhere deep beneath my skin  
The emptiness in me is fadin'  
I can see my life is waitin'  
Now I know I'm livin' for who I am

Now I know I'm livin' for who I am...

The fire grows inside  
The feeling can not be denied  
when everywhere I turn there's signs because they  
push me

Well I was fallin' down  
But it's okay right now

No one knows the way I feel a part of me I have to fight  
Buried somewhere deep beneath my skin  
The emptiness in me is fadin'  
I can see my life is waitin'  
Now I know I'm livin' for who I am

When everything seems grey  
When everyone is fake  
No one really knows you

Look into their eyes  
Rip off your disguise  
Let 'em see the real you

No one knows the way I feel a part of me I have to fight  
Buried somewhere deep beneath my skin  
The emptiness in me is fadin'  
I can see my life is waitin'  
Now I know I'm livin' for who I am

Now I know I'm livin' for who I am...
