I'm busy talkin' to this guy  
When I see out of the corner of my eye  
Look who's here  
How you doin'?  
Why don't you tell me who let you in

We don't care if you think our party's cool  
Because we do  
And we don't care if you had more fun in Sunday  
school  
'Cause who invited you?  
Who invited you?  
Who invited you?  
What do I have to do to get rid of you?  
Who invited you?

You say you're everyone's best friend  
But last night you made fun of all them  
You never told me not to tell  
You trusted me but you don't know me that well

We don't care if you think our party's cool  
Because we do  
And we don't care if you had more fun in Sunday  
school  
'Cause who invited you?  
Who invited you?  
Who invited you?  
What do I have to do to get rid of you  
Who invited you?

Face it dude you can't beat me  
In your Charlie Brown shirt and cabarichi's  
Baby you come up to my waist  
You need a barstool to get up in my face

We don't care if you think our party's cool  
Because we do  
And we don't care if you had more fun in Sunday  
school  
'Cause who invited you?

Who invited you?  
Who invited you?  
Now what do I have to do to get rid of you?  
Who invited you?
