Why Do Fools Fall In Love

Performed by Gina Thompson ft. Mocha

Ooh why ooh why

Ooh why ooh why

Why do fools fall in love

Uh yo

You wanna be the one I call on right

You wanna be the one to tell me it's alright

Well ya cats is all alike

Let me say this here

This year

About this miss here

It's clear

Won't drink tears

But you can kick the rich where

It's fair

Gonna leave with him

Kick his share

And you gonna get wet

It's cool

(Who) I ain't there

What you do

It's choose to disappear

My man

He had game

He gave me things

And bought me gifts

He let me drive his wheels

And so I trusted him

I trusted him

All about

Chorus:

Why do fools fall in love

Why does the rain fall from above

Why do fools fall in love

Why do they fall in love

Tell me

Why does the rain fall from above
Why do fools fall in love
Why do they fall in love

My man
He turned me out
And that's no doubt
He got the keys to my heart
I wonder if he loves me
Loves me
Well, he told me so
He said that he won't let me go
But I still don't know

(Chorus)

Baby, love is a losing game
Love is a game
Love can be full of shame
Of shame
I know I'm a fool you see
Because that fool was me
Tell me why
Tell me why, why, why
Tell me why
Somebody tell me why
Why do fools fall in love

You wanna be the one I call on right
You wanna be the one to tell me it's alright
