### "Why Not"

You think you're going nowhere.  
When you're walkin' down the street.  
Acting like you just don't care.  
when life could be so sweet.

why you wanna be as if there's nothin' new.  
You're not fooling no one.  
You're not even fooling you.

So walk a little slower and open up your eyes.  
Sometimes it's so hard to see,  
the good things passing by.

There may never be a sign.  
no flashing neon light.  
telling you to make your move or when the time  
is right.

so why not  
take a crazy chance.  
why not  
do a crazy dance.  
it might take a little,  
and it might take a lot.  
but why not,  
why not

why not take a crazy chance

you always dress in yellow  
when you wanna dress in gold.  
instead of listening to your heart you do just  
what you're told.

you keep waiting where you are.  
For what you'll never know.  
So let's just get into your car  
and go baby go.

So why not  
take a crazy chance.

why not  
do a crazy dance.  
it might take a little,  
and it might take a lot.  
so why not,  
why not.

oh!  
i could be the one for you.  
and oh yeah  
maybe yes  
maybe no.  
oh it could be the thing to do  
what i'm  
saying is you gotta let me know.

ah ah ah yeah ah yeah ah ah yeah yeah  
ah ah ah yeah ah yeah ah ah yeah yeah

You'll never get to heaven or even to L.A  
If you don't believe there's a way  
why not  
take a star from the sky  
why not  
spread your wings and fly  
Oh It might take a little  
and it might take a lot  
but why not  
why noy
