"Witchy Woman"

Raven hair and ruby lips
Sparks fly from her finger tips
Echoed voices in the night
She's a restless spirit on an endless flight
Woo hoo witchy woman, see how high she flies
Woo hoo witchy woman she got the moon in her eye

She held me spellbound in the night
Dancing shadows and firelight
Crazy laughter in another room
And she drove herself to madness with a silver spoon
Woo hoo witchy woman see how high she flies
Woo hoo witchy woman she got the moon in her eye

I know you want a lover,
Let me tell your brother, she's been sleeping in the
Devil's bed.
There's some rumors going round
Someone's underground
She can rock you in the nighttime
'Til your skin turns red
Woo hoo witchy woman
See how high she flies
Woo hoo witchy woman
She got the moon in her eye
