Without You
Performed by Nicole

I don't know what's up with you
But I just want to tell you
That to me you like my sunshine
You really, really make me smile, you know
And I just want to let you know
That without you I have nothing
I mean nothing to be happy about

Can't you see that I'm missing you
And I don't know why I feel the way that I do
Only you can't take my mind away
From all the pain and this is what I gotta say

Chorus:
Without you
I have nothing to be happy about
I have nothing to be happy about
I have nothing to be happy about
Without you
I have nothing to be happy about
I have nothing to be happy about
I have nothing to be happy about

How can I
Make you change your mind
Cause you without me
You'll never find another kind

(Chorus)

Heart and soul is what I feel for you
No other love will ever be so true
Only you can take my mind away
From all the pain that comes everyday
Can't you see that I'm missing you
I don't know what I'm gonna do
Only you can take my mind away
I need to know if you're gonna stay

(Chorus)

Without you
I have nothing to be happy about
I have nothing to be happy about
I have nothing to be happy about
Without you
I have nothing to be happy about
I have nothing to be happy about
I have nothing to be happy about
