Can't you see?
There's a feeling that's come over me
Close my eyes
You're the only one that leaves me completely
breathless

No need to wonder why
Sometimes a gift like this you can't deny

Chorus:
'Cause I wanted to fly,
So you gave me your wings
And time held it's breath so I could see, yeah
And you set me free

There's a will
There's a way
Sometimes words just can't explain
This is real
I'm afraid
I guess this time there's just no hiding, fighting
You make me restless

You're in my heart
The only light that shines there in the dark

Chorus:
'Cause I wanted to fly,
So you gave me your wings
And time held it's breath so I could see, yeah
And you set me free When I was alone
You came around
When I was down
You pulled me through
And there's nothing that
I wouldn't do for you

Chorus:
'Cause I wanted to fly
So you gave me your wings(so you gave me your
wings)

And time held it's breath so I could see(so I could see)
'Cause I wanted to fly
So you gave me your wings(so you gave me your
wings)
And time held it's breath so I could see, yeah
And you set me free

And time held it's breath so I could see(so I could see)
'Cause I wanted to fly
So you gave me your wings(so you gave me your
wings)
And time held it's breath so I could see, yeah
And you set me free
