And I wish you weren't worth the wait
cause there's something I'd like to say to you

And I don't think that you know what you've been
missing
Cause I don't think that you know what you've been
missing

And I dare you to forget
the marks you left across my neck
from those nights when we were both found at our best
Now I could make this obvious and you
you could deny me all in one breath
you could shrug me off your shoulders

And I don't think that you know what you've been
missing
Cause I don't think that you know what you've been
missing
And I don't think that you know,
I said I don't think you know,
I said I don't think that you know what you've been
missing

Hey lush, have fun, it's the weekend
Hey lush, have fun
Hey lush, have fun, it's the weekend
Hey lush, have fun

(oh I don't think that you know what you've been
missing)
Hey lush, have fun, it's the weekend
(no I don't think that you know what you've been
missing)
Hey lush, have fun
(oh I don't think that you know what you've been
missing)
Hey lush, have fun, it's the weekend
(no I don't think that you know what you've been
missing)
Hey lush, have fun (just forget me, it's that simple)

(oh I don't think that you know what you've been
missing)
Hey lush, have fun, it's the weekend
(just forget me, it's that simple)
(no I don't think that you know what you've been
missing)
Hey lush, have fun
(just forget me, it's that simple)

Just forget me, it's that simple [11x]

(oh I don't think that you know what you've been
missing)
Hey lush, have fun, it's the weekend
(just forget me, it's that simple)
(no I don't think that you know what you've been
missing)
Hey lush, have fun
(just forget me, it's that simple)

(oh I don't think that you know what you've been
missing)
(no I don't think that you know what you've been
missing)

Just forget me it's that simple
