(lennon/mccartney)

Here i stand head in hand
Turn my face to the wall
If she's gone i can't go on
Feeling two foot small
Everywhere people stare
Each and every day
I can see them laugh at me
And i hear them say

Hey you've got to hide your love away
Hey you've got to hide your love away

How can i even try?
I can never win
Hearing them, seeing them
In the state i'm in
How could she say to me
"love will find a way?"
Gather round all you clowns
Let me hear you say

Hey you've got to hide your love away
Hey you've got to hide your love away
