Sometimes I feel like throwing my hands up in the air
I know I can count on you

Sometimes I feel like saying, "Lord, I just don't care"
But you've got the love I need to see me through

Sometimes I see that the boy is just too rough
And things go wrong no matter what I do
Now it feels like life is just too much
You've got the love I need to see me through

When food is gone
You are my daily meal
When friends are gone I know
My saviour's love is real
Your love is real

You Got The Love x6

Sometimes I feel like throwing my hands up in the air
I know I can count on you

Sometimes I feel like saying, "Lord, I just don't care"
But you've got the love I need to see me through

Time after time I say, "Oh Lord what's the use?"
Time after time I say, "This just won't do"
But sooner or later in life the things you love you lose
Just like before, I know I call you

I can't believe my palms, degrading friends of you
I can't believe my fire, oh Lord, what must I do
I can't believe what I caught up, master made me new
But you've got the love I need to see me through

Sometimes I feel like throwing my hands up in the air
I know I can count on you

Sometimes I feel like saying, "Lord, I just don't care"
But you've got the love I need to see me through

You've got the love, you've got the love, you've got the

love

You've got the love, you've got the love, you've got the
love
