No more secrets
Yeah I mind what you do
I hope you die
Yeah you're such a fucking liar
Well i'll cut your tongue
Then I'll let you die
You think it's my fault

Wait... Hey wait for me
Wait... Hey wait for me
Wait... Yeah wait for me
Wait... Hey wait for me

And now I see stars
Yeah, oh yeah
Man I tried to do your stepdad
And it starts and it's true
Suffer always
Hey your blood is showin' through
This time I win

Wait... Hey wait for me
Wait... Hey wait for me
Wait... Yeah wait for me
Wait... Hey wait for me

And now I see stars
Now that I made it through
Yeah you, yeah you
And I start watching
Suffer always
Man I'll molest you
Like it like it

Oh way oh
I am not worth this
Oh you take what is not yours to take
Oh way oh
Does it hurt now
She's not you this is not the end
And I am what you want
And I do

And I ask you
Why don't you lie down
