Ginger Snaps

When the cowboy sings
When the Saturn rings
When the ginger snaps
When the thunder claps

You can cut my hair
You can fill my cup
You can tell me lies
You can make it up
We're gonna make it after all

CHORUS:

I don't need to know who's right or wrong
Its not a crime to change your mind
When the kitchen sinks
When the sugar winks
When the doctor calls
When Niagara falls

I'm a wayward Tom
I'm a silver streak
And the walls have ears, but the walls don't speak
We're gonna make it after all

CHORUS

Don't need to know
Don't need to know
