I THINK THE ANSWER'S YES

I'm walking through these pastures

I'm picking up sweet fruit

I'm shaking hands with people

That previously I'd shoot

But nothing will dissuade me

Nothing will dilute

I want to execute

I want to execute

And you tend to meet a lot of scum en route

It doesn't mean you've joined the other side

And because I still wear shorts and my smile is oh so
cute

It doesn't mean I'll run away and hide

To a world where the leaders finally confess

(I think the answers yes,I think the answers yes)

To the burning of the stockexchange and bombing of
the press

(I think the answers yes,I think the answers yes)

I think the answers yes,I think the answers yes

I'm walking through these corridors

Where crime meets pantomine

They're laughing and they're drinking
On the swill of overtime
And no-one seems to know about
The death-wish that they've signed
Ah life's unkind
Ah life's unkind
And they see me as a political new recruit
They rub their hands,slap their backs and smile
But I still wear suspenders underneath my buisness
suit
So needn't worry about me for a while
So to a world without hunger,where royalty face death
(I think the answers yes,I think the answers yes)
To the breaking down of barriers of north,south,east
and west
(I think the answers yes,I think the answers yes)
I think the answers yes,I think the answers yes
I think the answers yes,I think the answers yes
And no-one seems to know about
The death-wish that they've signed
Ah life's unkind
Ah life's unkind
Life's unkind,life's unkind
From poor old U2 to poor old Simple minds
No amnesty for murderers of poor old working class
Rope or gas,rope or gas,rope or gas

No amnesty for murderers of poor old working class

Rope or gas,rope or gas,rope or gas
