The restless crowded all around him.
39 lashes
Echoing.

Beneath the broken brow of posture.
Beneath the broken everything.

And these eyes
Can penetrate the laughter.
And this liquid solemn all the grin.

Hoping to find
A constant
only to find the only constant is
Change.
We want to bring this constant change.
And this dying brings this constant change.
And we walk to bring this constant change.

Falling within the line
to take of the bread and wine.
Reminded of what
This broken posture brings
For you and me.

The restless echoing.
The broken everything.
And eyes can penetrate.
Why does this burden break.

The constant memory
Of solemn suffering
Becomes apart of me...
In footsteps following.
And I will bring this constant ...

And here's a little something that you know you should
recognize.
Here's a little something that you know you should
recognize.(x3)
Becomes apart of me...(x8)
