[First Verse (SPM):]

Another deadly ceremony,  
In a sacred territory,  
It was all done for the glory,  
You bitches ain't got nothin' for me  
O-G, from the H-I, double L, W, double O, D  
Live the life of the lowly,  
Movin' white ponies, still puttin' in work for the dead  
homies,  
Show me the way out, stayin' ready for anything under  
the sun,  
Under the moon, under the stars, God I'm lookin' for  
somewhere to run  
Dumpin' my gun, as soon as I'm done,  
Leavin' 'em numb, with one in his lung,  
Livin' fast and dyin' young, always business never for  
fun

[Chorus (Marilyn Rylander):]

Tell me what it is  
Tell me what you want  
For your 3rd Wishhhhhhhh  
This is your last wishhhhhhhh  
Tell me what it is  
Tell me what you need  
For your 3rd Wishhhhhhhh  
This is your last wishhhhhhhh

[Second Verse (SPM):]

Bussin' our teflon, at the red dawn,  
I ain't fuckin' with nothin', get stepped on  
The purest, I'm the surest, playin' a tourist walkin'  
through Saigon,  
Been a hustler servin' up big bricks,  
And livin' my life to hit licks,  
Trip on a G like me and see the beads of banana clips  
Trick  
Stamina cannot be duplicated,  
Bite on the dust, you get faded,  
So many wannabe criminals up in the game of drug-  
related  
Open up, open up your dopehouses

Turning you men into mouses  
Saggin' my burgundy trousers,  
Letting you know how the South is

[Chorus]

[Bridge One (Grimm & SPM):]

[phone rings]

[SPM:] "Dopehouse Records"

[Grimm:] "Say man Los, man it ain't go right man, I'ma  
tell you man, Lil' Drugs  
Dead man."

[SPM:] "What?"

[Grimm:] "Yeah, he's dead man"

[SPM:] "Fuck"

[Grimm:] "And I got big Jon with me man, he got hit  
bad on the side, it don't  
Look good bro, it don't look good, he bleedin' bad. We  
can't go to the  
Hospital man, we ain't goin' to the hospital."

[SPM:] "Yeah"

[Grimm:] "We headed straight to the Dopehouse. Call  
Doc, tell him we need him."

[SPM:] "Alright my nigga, are you sure about Lil'  
Drugs?"

[Grimm:] "I'm sure man, he's gone baby, he's gone.  
We gotta get these  
Muthafuckas."

[SPM:] "Alright, hurry up."

[ends phone conversation, SPM starts talking to  
himself]

[SPM:] "Okay, this is it, I've wished for money, and I've  
wished for fame, but  
What good is it, if I'm still stuck in this game? So, for  
my 3rd wish...I  
Just wish for all this shit to stop. Just please make it  
stop."

[Third Verse (SPM):]

I'm back once again for revenge,  
In an all-black bulletproof Benz,  
How will I get 'em? It just depends,  
Hook his ass up with all his dead friends,  
Here ye, here ye, sincerely,  
Why so many haters fear me?  
Dearly departed, y'all started some shit, and struck but  
couldn't come near me  
We're the odyssey, young prodigy, runnin' the top  
notch properties,  
Where snitches get shot in they arteries, but gettin'

nobody's apologies  
Follow me how do we master the first jack?  
Since the day I was born I was cursed Black,  
H-Town's where I'm doin' my dirt at,  
Robbin' you hoes on horseback

[Chorus]
