[SPM Verse One:]

From the hood, And I stood on them Houston streets  
We stick together like cuban's links  
I had a nine on my waist guns I straddle  
44 at the crib with the ivory handle  
I'm the rocker betty crocker cooking cookies and cakes  
V-12 the blow it up as my coke inflates  
Ima swanga Gucci on my hangar  
Just bought my cousin on the ranch a ford wrangler  
I like to ride horses like mustangs and porches  
Pain is my producer leader of the dark forces  
Striking like matches droppin like ashes  
I only buy dances if they paying college classes  
muthafucka

[Hook:]

I'm wrecking for my G's in Garza West  
I'm wrecking for my G's in Garza East

As I ball in this penitentiary

[Juan Gotti Verse Two:]

Mi esposa wont listen, Keeps coming up missing  
Feliz Navidad aqui en Transde State prison
