Da-da-da-da
Da-da-da-da
Da-da-da-da

She maybe lonely tonight
She made feel alright
Then she walked away

She had the nerve to say
That I was in her way
And that I'll never have her

I wasn't allowed to kiss
I wasn't allowed to give her my lips
I wasn't to give happiness

She said she's leaving this town
She doesn't want me around
She really puts me down

She had me crying last night
She made me feel uptight
All inside

But ohh I love her so
Why don't I just let her not go
And oh I love her so
And fight it, fight it, fight it

Da-da-da-da
You know she's leaving tonight
Da-da-da-da
She can make it feel right
Da-da-da-da
You know she's leaving, leaving tonight
