Here I go again it's all right  
Full moons grown to brighten the night  
I been looking there seeing the light  
It's sure shining bright yea

Well honey believe in it it being free mm  
Nothing to loves like nothing to be  
Youve got once a lifetime to see just how much of your  
dream  
Honey to feel like fallin in love just to know  
Honey to feel like fallin in love

Turning home running free as the wind  
Stretching my stride wanna hold you again  
Well it's time to be taken in let me know where I've been  
Honey to feel like fallin in love just to know  
Honey to feel like fallin in love

Turning home running free as the wind  
Stretching my stride wanna hold you again  
Well it's time to be taken in let me know where I've been  
Honey to feel like fallin in love just to know  
Honey to feel like fallin in love
