I'm not much on mystery, yeah  
You gotta be careful what you dream  
I thought I was satisfied  
I thought love would pass in time

Honey, let me tell you  
I got a thing about you  
Baby let me tell you  
I got a thing about you

It don't matter what you say  
It don't matter what you do  
I, I, I, got a thing about you  
I, I, I, got a thing about you

Somewhere deep in the middle of the night  
Lovers hold each other tight  
Whisper in their anxious ears  
Words of love that disappear

Honey, let me tell you  
I got a thing about you  
Baby let me tell you  
I got a thing about you

It don't matter what you say  
It don't matter what you do  
I, I, I, got a thing about you  
I, I, I, got a thing about you

Baby, you hold some  
Strange control over me  
It's so wild  
It's hypnotizes me

Honey, let me tell you  
I got a thing about you  
Baby let me tell you  
I got a thing about you

It don't matter what you say  
It don't matter what you do

I, I, I, got a thing about you  
I, I, I, got a thing about you

Thing about you  
Got a thing about you  
Oh, yeah  
Oh, yeah

Said, "Oh, baby, gotta a thing about you"  
Oh, baby, gotta a thing you  
Said, "Oh, baby, gotta a thing about you"  
Oh, baby, gotta a thing you

Said, "Oh, baby, gotta a thing about you"  
Oh, baby, gotta a thing about you  
Oh, baby, gotta a thing about you  
Oh, baby, gotta a thing about you
