You made my day so beautiful, than any girls I've ever
know

But I'm totally a stupid kid, to have a date with you
Oww oww oww, you know that everything is all right
But I'll tell you once again there's no love deserve for
you!

Oiioo ohh... you break my heart oh it's so beautiful
Oiioo ohh... you won, you already defeat me
Oiioo ohh... you break my heart oh it's so beautiful
Oiioo ohh... you won

Oh baby when I realized that I've defeated by you
You know I really wrong with you, oh yeah it's you
Alright alright! I guess my time is over now,
And now you won, oh baby please, don't be like that!

Oiioo ohh... you break my heart oh it's so beautiful
Oiioo ohh... you won, you already defeat me
Oiioo ohh... you break my heart oh it's so beautiful
Oiioo ohh... you won

Oiioo ohh
Cuz I know you won
Oiioo ohh
Cuz I hate you well

Oiioo ohh [x4]
