Adrift and carried away.  
Coz I know you steal my time  
And wrap it on your lips

Oh dear take it away  
Would you stay inside my heart  
Until this day over.

She's my lover, she's my lullaby  
She's the story of the golden firefly(glowing in my side)  
Blanket picture bleeding colors at your window I said  
"hey girl it's time to let it go"

3, 2, 1 for one last time she said "are you feeling  
guilty"  
4, 5, 6 we catch'em in the bridge she said "I'll be going  
nowhere"  
Get up get up c'mon we got a party to hit, so go on, so  
go on  
Get up get up c'mon we got a party to hit, so go on, so  
go on

She start to pop the champagne  
The party getting started  
You're the star of my sea  
I'm the star of your dreams  
Let me see your dance  
Say hello to the party that I called the arrival tonight  
yeah!

3, 2, 1 for one last time she said "are you feeling  
guilty"  
4, 5, 6 we catch'em in the bridge she said "I'll be going  
nowhere"  
Get up get up c'mon we got a party to hit, so go on, so  
go on  
Get up get up c'mon we got a party to hit, so go on, so  
go on

Your the star of my sea  
I'm the star of your dreams  
Your the star of my sea

I'm the star of your dreams

Get up get up (WHOA! )

C'mon!

Get up get up!

C'mon!

3, 2, 1 for one last time she said "are you feeling  
guilty"

4, 5, 6 we catch'em in the bridge she said "I'll be going  
nowhere"

Get up get up c'mon we got a party to hit, so go on, so  
go on

Get up get up c'mon we got a party to hit, so go on, so  
go on
