Now brothers and sisters gathered here today  
I got something I want to share with you  
Now let me warn you, it's a sad, sad story  
But I swear every word is true

Now, money and me don't talk too much  
We never got along too well  
But when I got some in my pocket  
I seem to have a lot more friends

I pay the landlord and the taxman  
And it's time to go to work again

Can I get a witness? Can I get a witness?  
I need somebody, let me hear you say  
Yeah yeah, yeah yeah  
Yeah yeah, yeah yeah, yeah yeah, yeah

I've been workin' too hard  
I've been workin' too hard  
I've been workin' too hard  
I got to get just a little bit out of control

I've been workin' too hard  
I've been workin' too hard  
I've been workin' too hard  
Gotta find somebody just to soothe my soul

I had a young girl back in Cleveland  
My baby would not be true  
It took me a while to realize  
The evil that some girls do

I told her mother and father what I did  
And they said, "What kind of work is that?"  
Well, they said I just didn't never have the fear of God  
They could tell by the way I laughed

Well, she ran off and married a preachers son  
In a ragtop Cadillac

Can I get a witness? You know I need a witness

I need somebody, let me hear you say  
Yeah yeah, yeah yeah  
Yeah yeah, yeah yeah, yeah yeah, yeah

I've been workin' too hard  
I've been workin' too hard  
Lord, I've been workin' too hard  
I got to get out [Incomprehensible] lose control

I've been workin' too hard  
You know, I've been workin' too hard  
Yeah, I've been workin' too hard  
Gotta find somebody just to soothe my soul

Well, people, I've learned my lesson  
And I've learned my lesson well  
Some girls want your money  
But your money is the Devil himself

But life can get confusing  
Whether you're high, low, rich or poor  
I swear when you get right down to it  
There's only one thing that I know for sure

Before this night is over  
I'll be in trouble and I'm lookin' for more, more, more

Can I get a witness? I got to find a witness  
You know, I need somebody, let me hear you say  
Yeah yeah, yeah yeah  
Yeah yeah, yeah yeah, yeah yea, yeah

I've been workin' too hard  
I've been workin' too hard  
I've been workin' too hard  
I need to get just a little bit out of control  
Tonight my baby

I've been workin' too hard  
I've been workin' too hard  
I've been workin' too hard  
[Incomprehensible]

I've been workin' too hard  
I've been workin' too hard  
I've been workin' too hard  
Got to get out of control

I've been workin' too hard  
I've been workin' too hard  
I've been workin' too hard

[Incomprehensible]

I've been workin' too hard  
I've been workin' too hard  
I've been workin' too hard  
I got to get just a little out of control

I've been workin' too hard  
I've been workin' too hard
