Face your fears without thinking at all
And i'll be here to drive those demons from your night
My shoulders are here for your head to lean upon
And trouble can't come between the shelter of these
arms

Chorus:

Through the worst
Through the best
Even when the worlds feeling heavy on your chest
Through the fire
Through the flood
My love for you runs deeper than blood
Deeper than, Deeper than Blood
Deeper than, Deeper than Blood
Deeper than, Deeper than Blood
Deeper than, Deeper than Blood

Carved on my soul
Admitted on stone
Like an ageless dream that will never grow old
So cling to my side now
Slick against the wind
I promise with my life to always defend

Chorus:

Through the worst
Through the best
Even when the worlds feeling heavy on your chest
Through the fire
Through the flood
My love for you runs deeper, deeper than blood
Deeper than, Deeper than Blood
Deeper than, Deeper than Blood
Deeper than, Deeper than Blood
Deeper than, Deeper than Blood

Etched on my heart
Running through my veins
This truth will never change

Through the worst

Through the best
Even when the worlds feeling heavy on your chest
Through the fire
Through the flood
My love for you runs deeper, deeper than blood
And oh, my love for you runs deeper, deeper than
blood
Deeper than, Deeper than Blood
Deeper than, Deeper than Blood
Deeper than, Deeper than Blood
Deeper than, Deeper than Blood
