Why, why, why aren't you missing me
Why, why, why don't you call me

Say my name
Anata no koe kikitakute nemurenai
Late last night
Hitori wo tsutsumu seijaku kanjite

Lovin' you is a beautiful thing
Sunao na kimochi todoketa kute
Lovin' you is a beautiful thing
Sobani kite my side

Take my hand
Anata no koto nara wakaruru itsudemo
Not afraid
Mienai kako no hitohira kowaku nai

Lovin' you is a beautiful thing
Fureru dakede tsutawaru omoi
Lovin' you is a beautiful thing
Sobani ite my light
I'm trying to find you

I'm craving for just your love, like a child
Nothing can be ever close to your love
I'm craving for just your love, like a child
Nothing will be ever same as your touch
Just hold me tight, you will see what you miss
Cause I know

Lovin' you is a beautiful thing
Fureru dakede tsutawaru omoi
Lovin' you is a beautiful thing
Sobani ite my light
I'm trying to find you

Lovin' you is a beautiful thing
Watashi no basho he

Why, why, why aren't you missing me

Why, why, why I'm trying to find you
Why, why, why aren't you missing me
Why, why, why don't you call me
