In my mind kie nai candles  
Katari kirenai omoi daite  
In the flame afureru ai  
Kioku no nakade kagayai teiru  
Wished tsutaetai kotoba wa  
Ima mo kokoro no oku ni nemuru  
Cry kanashimi mo namida mo  
Tsutsumu te no hira de nukutteku kara

In my heart, you were always there  
For me  
Huri kaereba itsudemo anata ga  
Precious love zutto sobani  
I wanna thank you dear MOM for  
Being in my life

Through these nights kogoeta yoru  
Kokoro no ari tokoro sae mie nakute  
In the days yume no kakere

Mitsuke dasu subesae kasun deita  
Fears kasane sugi ta ita mi ga  
Yuki bamonaku mune ni karande  
I heard atataka na seijaku sukuutteku reta  
Anata no koe

In my heart,  
You were always there for me  
Huri kaereba sokoni aru egao  
Precious love zutto sobani  
I wanna thank you dear DAD for  
Being in my life

Kawari yuku toki ni mukatte kusono tsuyo sa wo  
Oshiete kureta  
It's your unchanging love  
Togiretogire ni musunda kotoba no kire hashi  
Ima tsumegi awasete yuku  
Futari he todoku youni  
Words from my soul  
Utai tsuduketeru I swear

With my heart,  
I'm singing for your happiness  
Huri mukeba itsudemo sokoni aru  
Precious home kaereru basho  
I wanna thank you, MOM and DAD  
For everything

Oh in my heart, you were always  
There for me  
Huri mukeba kanarazu sokoni aru  
You're my precious love zutto sobani  
I wanna thank you, MOM and DAD  
For everything  
I wanna thank you, MOM and DAD..  
I wanna thank you, MOM and DAD  
For everything
