When the sky is turning hazy blue  
And the lasting rains look like wont go away  
But still we can fly up above high  
Cause the rising rainbow shines on you

Kasunde yuku yume no kakera ya  
Shizunde yuku hitori ni somaru yoru mo  
Kasanariau toki no kizuna ni  
Iyasareteku kimi ga koko ni iru kara

Hiroi sora  
Itsuka wa tsunagaru michi de  
Our souls utatteru

You're always on my mind  
Michite kuru niji mo inori no saki ni  
Will be there ever  
Mirai e no kiseki  
Kanarazu aru kara

The shine of our hearts  
stayin in the same

We can fly up above high and more  
Cause the rising rainbow shines on you

Tsunaida te o sotto hodoite  
Kagayakidasu hikari tsutsumareta michi  
Yukisaki sae wakaranakutemo  
Aruite yuku kimi ga tomo ni iru kara

Tooi memories  
Kasuka ni nokoru kaori ni  
your voice hibiiteru

You're always there for you  
Miete kuru niji wa kokoro no oku ni  
Will be there ever  
Yakusoku no yukue koko ni kaeru kara  
The shine of our hearts

Keep in your mind itsu demo  
Onaji toki daita koto  
Tsuyosa to yowasa  
Tsutsumikomu kara

You're always on my mind  
Michite kuru niji mo inori no saki ni  
Will be there ever  
Mirai e no kiseki  
Kanarazu aru kara

Always on my mind  
Miete kuru niji wa kokoro no oku ni  
Will be there ever  
Yakusoku no yukue koko ni kaeru kara  
The shine of our hearts  
stayin' in the same
