Monday night, to the club
Tuesday night, to the club
Wednesday night, what a headache
But I went, to the club

Thursday night, to the club
Friday night, didn't wanna go
Then my friend Michelle called me on the phone
And so I went, to the club

Monday night, to the club
Tuesday night, to the club
Wednesday night, what a headache
But I went, to the club

Thursday night, to the club
Friday night, didn't wanna go
Then my friend Michelle called me on the phone
And so I went, to the club

Monday night, to the club
Tuesday night, to the club
Wednesday night, what a headache
But I went, to the club

Thursday night, to the club
Friday night, didn't wanna go
Then my friend Michelle called me on the phone
And so I went, to the club

Saturday night, to the club
Sunday night, to the club

To the club

[club mix interlude]

Monday night, to the club
Tuesday night, to the club
Wednesday night, what a headache
But I went, to the club

Thursday night, to the club
Friday night, didn't wanna go
Then my friend Michelle called me on the phone
And so I went, to the club

Saturday night, to the club
Sunday night, to the club
