I don't know  
How to feel  
Let the words  
Come easily to me  
You seem lost  
In your thoughts  
I find it hard to breathe  
Why won't you tell me what it is?  
It's driving me crazy trying to second guess you

Don't say you love me,  
I don't believe it!  
Don't say the words,  
If you don't mean it.  
Don't want to hear it  
Out in the open  
Keep it inside  
If you don't mean it

Don't even want to talk about it  
I know that I can live without it

If it's right  
If it's wrong  
Would someone let me know?  
It's the game  
I can't play  
Do I just let you go?  
Maybe it's just the way it is  
'Cuz I get the feeling that you know it's over

Don't say you love me,  
I don't believe it!  
Don't say the words,  
If you don't mean it.  
Don't want to hear it  
Out in the open  
Keep it inside  
If you don't mean it

Don't even want to talk about it

I know that I can live without it  
I just don't want to talk about it  
God knows I could live without it

(If you don't mean it)

(You gotta let me know)

Don't say you love me,  
I don't believe it!  
Don't say the words,  
If you don't mean it.  
Don't want to hear it  
Out in the open  
Just take it back  
If you don't mean it

Don't say you love me,  
I don't believe it!  
Don't say the words,  
If you don't mean it.  
Don't want to hear it-

How you feel,  
How you feel
